

BBQ Stand - Fire Risk Assessment – Concorde Classics Car Show

In order to comply with relevant fire safety legislation you **MUST** complete a Fire Risk Assessment of your venue. The Risk Assessment needs to identify the fire hazards and persons at risk, you must endeavour to remove or reduce these risks and protect people from fire. Failure to comply with this requirement may result in your venue being prohibited from use. You must be able to answer YES to the following questions. This signed and completed form must be maintained available for inspection by the Fire & Rescue Service / Event Organiser / Council Officers at all times.
